CHARM: AN AMAZING STORY OF A LITTLE BLACK CAT

Charm: An Amazing Story of a Little Black Cat is the gripping account of a remarkable experience in author Leyla Atke's life. It is a story that tells how things are hard to acquire and easy to lose when even slightly neglected. It is a story that makes the reader think about the existence of a higher power and the other world. It is a story about how anyone can be entrusted a certain mission from above...Or simply, it is a story about a miracle...

Sometimes miracles do happen in our lives and Atke's miracle begins when she finds and saves a little black kitten from the middle of a busy road, where cars speed by almost hitting him. She takes the kitten home and named him Charm. But one day, Charm goes missing. When Atke finds him, it's too late. But then something amazing happens and restores Atke's faith. You'll have to pick up a copy of the book to find out what that is!
